AND NEWLY DEVELOPED OUTLOOKS, . . .

Through our years of high school, we are continually developing and changing our outlooks and perspectives. New events and activities frequently offer us different ways of looking at our complex world. They prepare us for later life by presenting a variety of social and mental challenges, thereby expanding our perspectives.

*Just a really
cool group and I
hope we will always
together for

MISS ALENE KEY

On July 16, 1933 in Longview, Washington, a girl was born who now affects the lives of many of the students of C.H.S. This woman is not only academically orientated but she is a main link in the chain of communications between students and administration.

South Kitsap High School was the scene of her active high school career. Among her activities at South Kitsap—she was president of both the C.A.A. and the Girls' League, she was awarded the honor of Girl of the Year as well as Athlete of the Year and she was the recipient of 2 scholarships.

After graduation she went on to college where she spent 1 year at Olympic State, 5 years at Central Washington College of Education, 6 weeks at Claremont Graduate School, and 2 years at L.A. State. In her college years her name appeared in WHO'S WHO IN AMERICAN COLLEGES AND UNIVERSITIES, she was voted Senior Most Likely to Succeed, Best Girl Athlete, and she also received the Top Ten Honors Award. Her hard work in college earned her 2 masters degrees, one in special education, and the other in counseling and guidance, plus a P.P.S. credential.

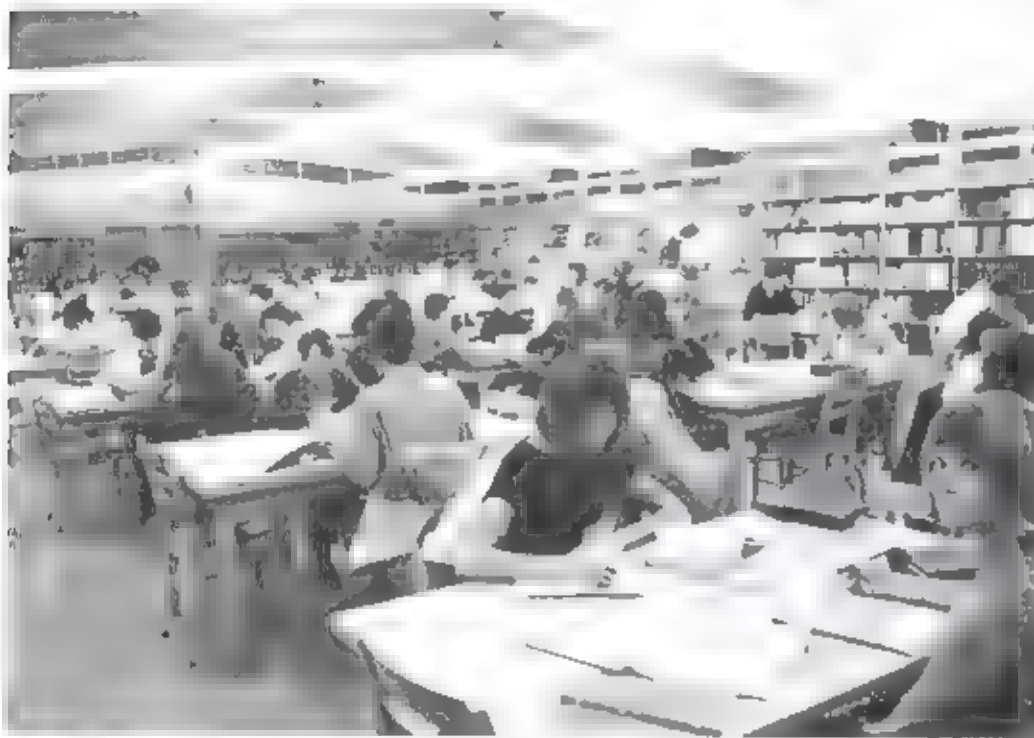

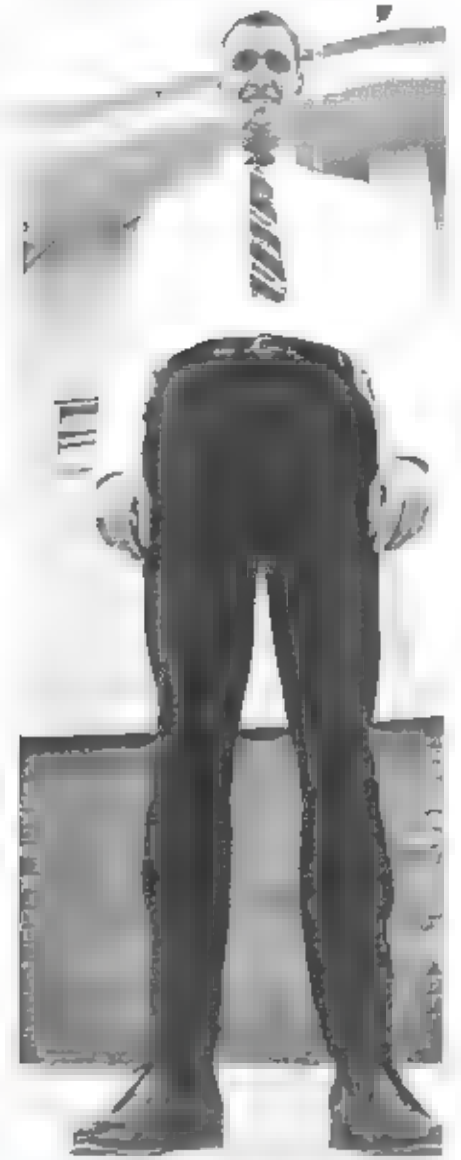

Her teaching career includes 2 years of work with the mentally retarded, 2 years teaching algebra and serving as a counselor, and 2 years as a first grade teacher, during which time she received the honor of Teacher of the Year.

She has many outside interests which includes stage plays, sports, church work and playing the bongo drums. Her outstanding abilities in sports won for her the title of Miss Softball of the Pacific Northwest, which she held for 8 years, plus the title of All-Star in state and regional tournaments. Her sharp skill in basketball helped her win the women's free throw record for the state of California.

It is with great admiration that we dedicate our book to our Dean of Girls, Miss Alene Key.

INTELLECTUALLY,

8/23/78

SOCIALLY, . . .

C.H.S. presents many opportunities for growth both intellectually and socially. During our high school years we form many opinions of ourselves and those we associate with. It is through our experiences that we grow to be responsible citizens, able to make our own decisions and live in the everyday world.

FACULTY

... IT'S THE PRINCIPAL OF IT ALL!

Mr. Otto is not only the overseer of all school events and functions at Covina High, but he is also the contact between the students, the faculty, the school administration, and the district administration. He must coordinate the jobs of the faculty, clerical staff, and administration, and consistently stick to the policies set down by the Board of Education.

Little do most students realize the vast amount of work and responsibilities that lie on the shoulders of their principal. Leadership, planning, coordination, compromise, and policy functioning are all daily routine to Mr. Otto.

Mr. Otto performs one of his official school functions by awarding an essay finalist.

ADMINISTRATION: THE BACKBONE OF CHS

Mr. Preston, shown above at an early season football game, is concerned with the co-curricular as well as the curricular program at the school.

Mr. Wayne Preston
Assistant Principal

Mr. Wayne Preston, our assistant principal, performs a service that is one of the most valuable for Covina High School. He assists Mr. Otto with the important task of developing better facilities and ways of teaching.

Mr. Preston is a USC graduate and has a B. S. degree in business administration and a M. S. degree in secondary school education. He has been on Covina High's faculty as a social studies teacher since 1949, except for a tour of duty in the U. S. Marine Corps and three years in private business.

Mr. Frank Haven
Dean of Boys

Miss Alene Key
Dean of Girls

Mr. Haven and Miss Key, for many years now, have helped the students of Covina High over many difficult problems by mature guidance and leadership. They counsel and direct individuals by giving personal help and are also fundamental in guiding the activities of the school by sponsoring the Boys League and the Girls League.

Mr. Murcer has won the respect and admiration of countless students at Covina High this year and last through his work as Director of Student Activities. He is in constant touch with the student body and has done an excellent job in directing and advising the various co-curricular activities of the students. Working closely with the Leadership Class, he has helped instill in the student body the enthusiasm and spirit it now has.

Mr. Charles Murcer
Director of Student Activities

COUNSELORS: A HELPING HAND

Mr. Robert Earl
Head Counselor

Mrs. Alice Evans

Mr. Robert Keagy

Mrs. Frances Miller

Mr. Gene Ridgeway

Vocational guidance is a major task of the counseling staff at Covina High. The counselors start with the students early in the Freshman year with the ITED and the Kuder Preference tests. By the Junior year, pupils have received guidance toward college education or post-high school vocations. In their final year at high school, students are well-aware of the opportunities that are available to them and are separated into home-rooms that are divided by vocational preference.

Covina High students are very fortunate in having such a competent staff of counselors who are readily available in helping them. Their guidance is invaluable to individuals interested in any vocational field.

A major task of the counselors is in informing CHS students of college opportunities. Mr. Earl, above, talks to a group of college-bound seniors.

CUSTODIANS AND CAFETERIA STAFF: JOBS WELL DONE

The custodians of Covina High work tirelessly to keep the campus spotless and the classrooms neat and well-equipped. There seems to always be a need for one of these men. Their job is one that cannot be underscored and each one deserves a special word of thanks from the students.

Mr. Bernie Martin is in charge of the custodians and sees to it that they each perform their specified duties. Students should be thankful to the men who set up the rallies, the assemblies, plays, and musical presentations.

The cafeteria staff, under the direction and supervision of Ethel Christopherson, sees to it that Covina students get a well-balanced meal at both A and B lunches, and that the pupils receive a nourishing snack at the brunch break. It is a tremendous task to feed 1700 students, but the cafeteria ladies do the job excellently. Hungry students are greeted daily by a cheerful staff of cooks, who constantly put out a good meal.

The staff also cooks for the faculty and prepares the meals for any banquets that come up in the school year.

There is a tendency with students to look upon their teachers as machines, programmed to walk, talk, and teach. Little do they realize the human element involved in this profession. Little do they realize that a member of the faculty can have pleasures, dislikes, emotions of happiness and sadness, and feelings of satisfaction. In fact the greatest amount of satisfaction that a teacher realizes is to see his students progress and grow mentally and physically.

The faculty of Covina High offers a large variety of talents to their students. Most of the teachers possess some sort of musical or athletic ability that the average pupil never sees. Robert Green, left, conducts the school orchestra at a musical presentation. Richard Simonds, right, exhibits his unmistakable efficiency in playing the piano.

FACULTY: EMPHASIS ON THE FUTURE

As does any group of educators, the faculty at Covina High dedicates themselves to the improvement and strengthening of their students both physically and morally. They realize that education can no longer be limited to the traditional three R's; reading, writing, and arithmetic. As the modern world becomes more complex, so must the students' knowledge also increase. Therefore the faculty strives to give their students an education that encompasses science, technology, handicrafts, and athletics along with the three R's.

The faculty of Covina High involves itself with a progressive program of education. The educators are more interested in opening the doors of a student's mind than they are with the mere memorization of facts and dates. A true education is one that involves the human mind in action, and allows the brain to objectively look at life and decide what is right and what is not right. This conception of right and wrong is developed on an individual basis and cannot be treated as a constant that does not vary from one student to another.

1965: SELF EVALUATION

A guest speaker speaks to the faculty concerning accreditation process.

Early in the school year, the administration, faculty, clerical staff, and a committee of students were busy with the job of accrediting Covina High School. They were required to consider the school from every perspective. They gathered the opinions of everyone connected with the school as to the facilities that it offered.

Colleges require that a high school be accredited before they will accept the transcripts or verify the diplomas of the graduating seniors. Therefore the process of accreditation is a complex one that is of great importance to the students as well as the faculty or administration.

The four major committees filled out questionnaires sent to Covina High by the Western Association of Schools and

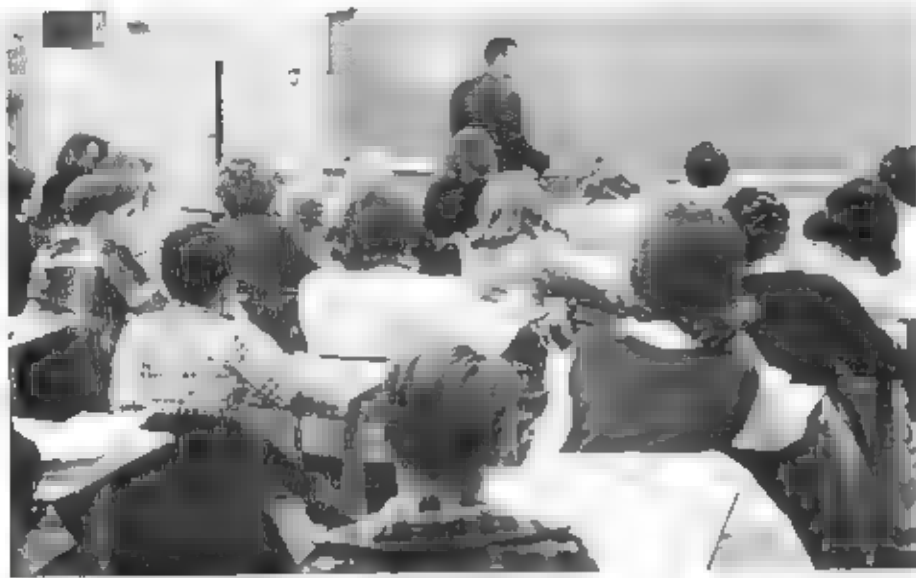

Colleges (WASC). Questions ranged in scope from what the students thought of the counseling staff to how the administration felt about the upkeep of the campus. Questionnaires were turned in, and a complete report was made in the form of a 150 page pamphlet. This report was turned over to a staff of school administrators from other districts who then came to Covina High for a three day visit. During this time they observed the campus life, the teaching methods, the educational equipment in use, the facilities offered to the students, and any other aspect of school life that they felt was pertinent to the accreditation process. They also asked questions of students and employees on the campus. At the end of this three day period they submitted to the WASC a report about the school recommending it for a one to five year accreditation.

Not only did the accreditation cover the educational side of teaching but it also extended to the P.E. classes (above), the nurses office (far right), and the clerical staff (right).

AND ACCREDITATION

This entire process covered three months, extending well into December. It was a difficult task and required coordination of faculty, students, administration, and clerical staff.

The major purpose of the recent accreditation was to evaluate the classroom facilities that are available to the student. This extends to the math classes (upper left), the home economics rooms (upper right), senior psychology (left), the library (above) and numerous others.

THE PEOPLE'S

A.S.B. PRESIDENT

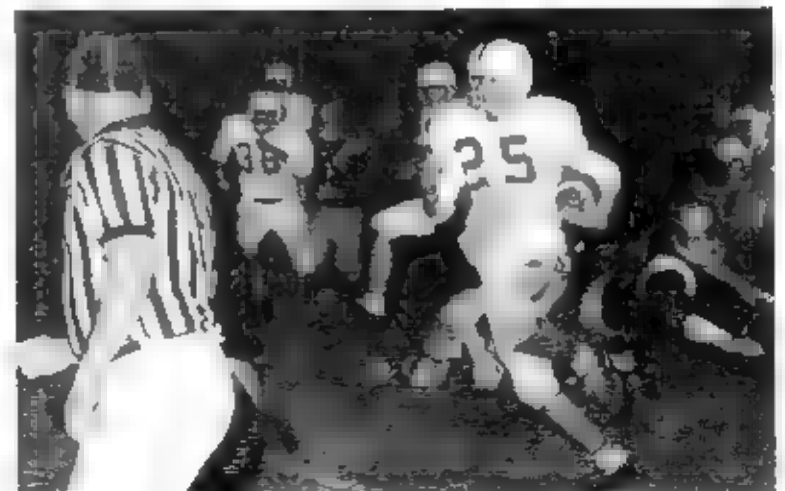

As the door closes, making an end to the 1965-66 school year, many new and far better doors will be opening to us as we advance in this life. I hope that this year has given each of us something that will be of vital use in the years to come. I am sure this year will be recalled to mind because of the accomplishments and successfulness of the events that took place.

I am grateful to you for allowing me to serve as this year's A.S.B. President.
May happiness be yours eternally.

A.S.B. VICE-PRESIDENT

I would like to thank you all for the opportunity that you gave me to be your A. S. B. Vice-President. It has been a position that I will never forget, and one that I have enjoyed tremendously. In facing the problems, challenges, and responsibilities of this office, I have learned a great deal about the art of leadership and compromise that will serve as an invaluable basis from which I can work in the future years.

As I look back at the '65-'66 school year, I feel that the students have been the best that I have ever seen. May you all have a full and successful life in the years that follow.

The Leadership class is the governing body at C. H. S. and serves as a means of communication between the administration and the students. The meetings of the council are presided over by the A. S. B. President, John Paterson and are advised by Mr. Murcer.

In addition to overseeing activities sponsored by other school organizations, the Leadership class sponsors many activities which include both homecomings, soc-hops, rallies, selling programs at the football games and helping new and Frosh students at the beginning of the year.

The Cardinal staff begins its planning in September with the decision of theme, dedication and color pages. Each section editor is then responsible for the planning of his section and for making sure that his pages are completed in time for the deadlines.

The goal of the staff is to combine the efforts of many individuals to produce a yearbook that is representative of C.H.S., its traditions, its achievements and its activities. This goal is finally reached when the book is delivered in June, and the realization of hard work is appreciated.

BONJOUR MES AMIS . . .

Dear Friends,

I want to take this opportunity to thank you for the wonderful time I had with you this year. I didn't realize before coming here how friendly and nice can be the students and the teachers in a American style. I have been accepted by everybody and I participated in many of the activities of Covina High. I want to thank you that for the Seraphs, the Boys' League and the tennis team. I had in the school the most interesting experience and I hope I have given back some ideas of what is France and French people. I will keep a very good souvenir of all of you.

ALCYONIANS

The most popular girls' service club on campus is the Alcyonians. Their activities this year included the sport's night, making cookies for the teachers' meetings, sending flowers to the hospital, decorating the goal posts, selling yearbook covers, and having "Covina Colts" painted across the gym.

The purpose of Alcyonians is to promote school spirit, school and community service and to set a good example for other students.

WYCAIPIANS

As a service club for sophomore and junior girls, the qualifications necessary to become a Wycalpien are service points, citizenship and cooperative personal attitude.

To promote service to Covina, the Wycalpiens sell victory ribbons, play football against the Alcyonians, sponsor a clothes drive, guide at back-to-school night and engage in other activities-the most important being the tradition of choosing an outstanding member and awarding her the honor of "Wycalpien of the Semester."

CAMPUS PERSPECTIVES

The face of Covina High is an ever-changing one, with new personalities continually being presented. New years bring a variety to the tradition of the school and each semester brings forth a different group of students who leave their indelible mark on the campus. Each pupil at Covina High gives something of his personality to the school and in turn Covina High gives each some unforgettable memories and experiences that will last for the rest of the person's life. A student may not enjoy his high school life, and may detest the regimented scheduling of classes, but no one leaves Covina High with the same outlook on life and society as when he entered.

Bob and Chris are ready for fun after a hard day at school.

Gretchen's hair typifies the trend toward hairpieces. Dan, like other Colts, prefers the Ivy League style.

CAMPUS

Rick and Sherry are ready for Saturday night in popular Colt datewear.

Stu and Patti take time out from classes on Bermuda Day.

Kathy's flip fits any occasion. Jack's continental is also a favorite among Colts.

Mike and Teen find time during lunch to visit the student store.

COVER-UPS

Marty and Carol take a stroll in the rain before going to classes.

Bob and Judy admire each other's attire before going to the dance.

SPIRIT, SASS, AND STYLE:

The Senior Class, with the aid of hard-working and dedicated individuals, made accomplishments that will long be remembered at Covina High School. The Slave-Day auction, improvement of the Senior Quad, Junior-Senior Donkey Basketball Game, and the Senior All-Night Party are a few of the activities which were sponsored by the class. The Class of 1966 has left its mark on Covina High School.

The Sophomore Class Council is made up of elected representatives from each guidance homeroom. The council organized the activities for the sophomore class during the year. This year the class sold candy apples, sponsored a soc-hop, sold basketball pennants at the Christmas Tournament, had a car wash, and a bake auction.

VARSITY

The Colts started the 1965 football season off with a bang, winning their first two games over Sierra Vista and Monte Vista. But the Covina machine was never able to get its momentum going fast enough again and as a result, never reached the win column. Displaying high spirit and a hustling attitude, the Colts fought desperately to win in a league which had become more powerful than it had been in some years, featuring undefeated CIF AAA finalist West Covina and the vaunted aerial attack of La Puente. Leading the Colt attack was all-Montview League halfback John Paterson, often thrilling the crowds with his long touchdown jaunts. Allan also had a fine year, going both offensively and defensively very effectively. Most valuable player went to Colt fullback John Noel, who never let the team down in the clutch, using his power to pick up valuable first downs.

John Noel was considered hard to bring down by all teams.

... BUT IT BEGAN WELL

Football games were always rough because the Montview teams were at their best.

BEE FOOTBALL

This year's Bee football fared little better than Varsity, finishing in the cellar, with a record of two wins, six loses and one tie. Most Valuable player, Jim Cooper, was a standout on this otherwise unsuccessful team, providing most of the touchdowns with his long runs. Co-captains Bill Blackman (an end) and Jay Leslie (a tackle) both had fine years, following closely for runner up. Both Bee wins were at the hands of pre-season rivals, and thus didn't count in the final league standings. The first was a 39-0 romp over hapless Sierra Vista, with Colt Jim Cooper running wild. The other win came over Monte Vista, 20-19, in a closely fought contest which was decided by a Colt conversion.

But, the most important thing about this team is its potential as a future championship contender. With its many fine stars, combined with the returning Varsity exceptionals, the future for Covina football looks bright.

Bill Blackman skillfully dodges his opponents for added yardage.

Catches such as this were often made by the Bee halfback, Jerry Donovan.

CEE TEAM

The Cee Football team enjoyed a fine season, remaining in title contention until the last game of the year, which they lost to Los Altos, 13-6. Inspired by their new coaches, Mr. Lester and Mr. Snyder, the Cees unleashed their powerful attack on opponent after opponent, leaving a path of devastation behind.

Their success can not be attributed to just one player, but must be designated as a full team effort. Fullback Steve Barron tallied most of the team's points, with short plunges, and some long kick-off returns. Quarterback Dan Lyster proved to be a valuable ball handler, guiding Colt attacks. Tim Deuel was exceptionally effective on defense, as was Randy Lowder. All of these boys reflected the spirit and attitude instilled in them by their fine coach, Mr. Lester.

J. V. TEAM

This year's J. V. Football team enjoyed a very successful season, and helped provide the backbone for this year's Varsity Football team. Senior Quarterback, Mike Lenahan, had a brilliant year, both on the J. V. and Varsity levels. Mike came off the bench earlier this year to complete 7 of 11 passes, good for one touchdown and valuable yardage, to boost the spirit of the team. The team's heavy line also played a big part in the successful season, and should give our future Varsity team the needed boost that it requires.

Practices with the Varsity team were a common thing with the strong J. V.'s

VARSITY CROSS-COUNTRY

Coach Prieur's Varsity Cross Country squad enjoyed a fine season, compiling a 7-2 record for a third place finish in the tough Montview League. The Colt runners, paced by Co-captains Bill Schofield and Charlie Freadhoff, and CIF semi-finalist Lynn Wolters, remained in contention for first place, until the last meet when they were beaten by Los Altos, 39-21.

Awards went to Lynn Wolters, for most valuable; Bill Schofield for most improved and scholastic. All of the members should be awarded for their fine job this season.

Co-captain Freadhoff

Taking first place was a usual honor for Lynn Wolters.

J. V. CROSS-COUNTRY

This year's J. V. Cross Country team proved to be a remarkable one, indeed. Finishing in second place due to a real heartbreak loss to Los Altos, 40-39, the Colt running attack managed to place its first five runners ahead of all opponents, except Los Altos. Leading the onslaught were seniors Mike Donaldson and Steve Sweetman, and junior Steve Demel, who often finished just tenths of a second apart in their races. The team effort this year was supreme, and with many of these boys returning next year, Coach Prieur's potential Varsity team, may be the one to finally dethrone Los Altos.

FROSH-SOPH. CROSS-COUNTRY

Although their third place finish may not seem impressing, the hustle and determination shown by this year's Frosh-Soph Cross-Country team is something to be proud of. Danny Vasquez had a fine year, and promises to be one of the mainstays of next year's Varsity team. Most valuable player Gary Baer, and little Ollie Croak provided the inspiration and enthusiasm that this team needed, and often lifted the team's spirit when it was down. The team's performance this year shows the competent tutoring of Coach Prieur, whose "words of wisdom" are the most important things in transforming this team in a successful Varsity in the future.

Front row: F. Croak, P. Barber, D. Vasquez, G. Bayer, R. Rohner. Back row: R. Knight, S. Preston, S. Brady, B. Brown, T. Gray.

Mike Donaldson and Eddie Winter were always leaving their opponents in the dust.

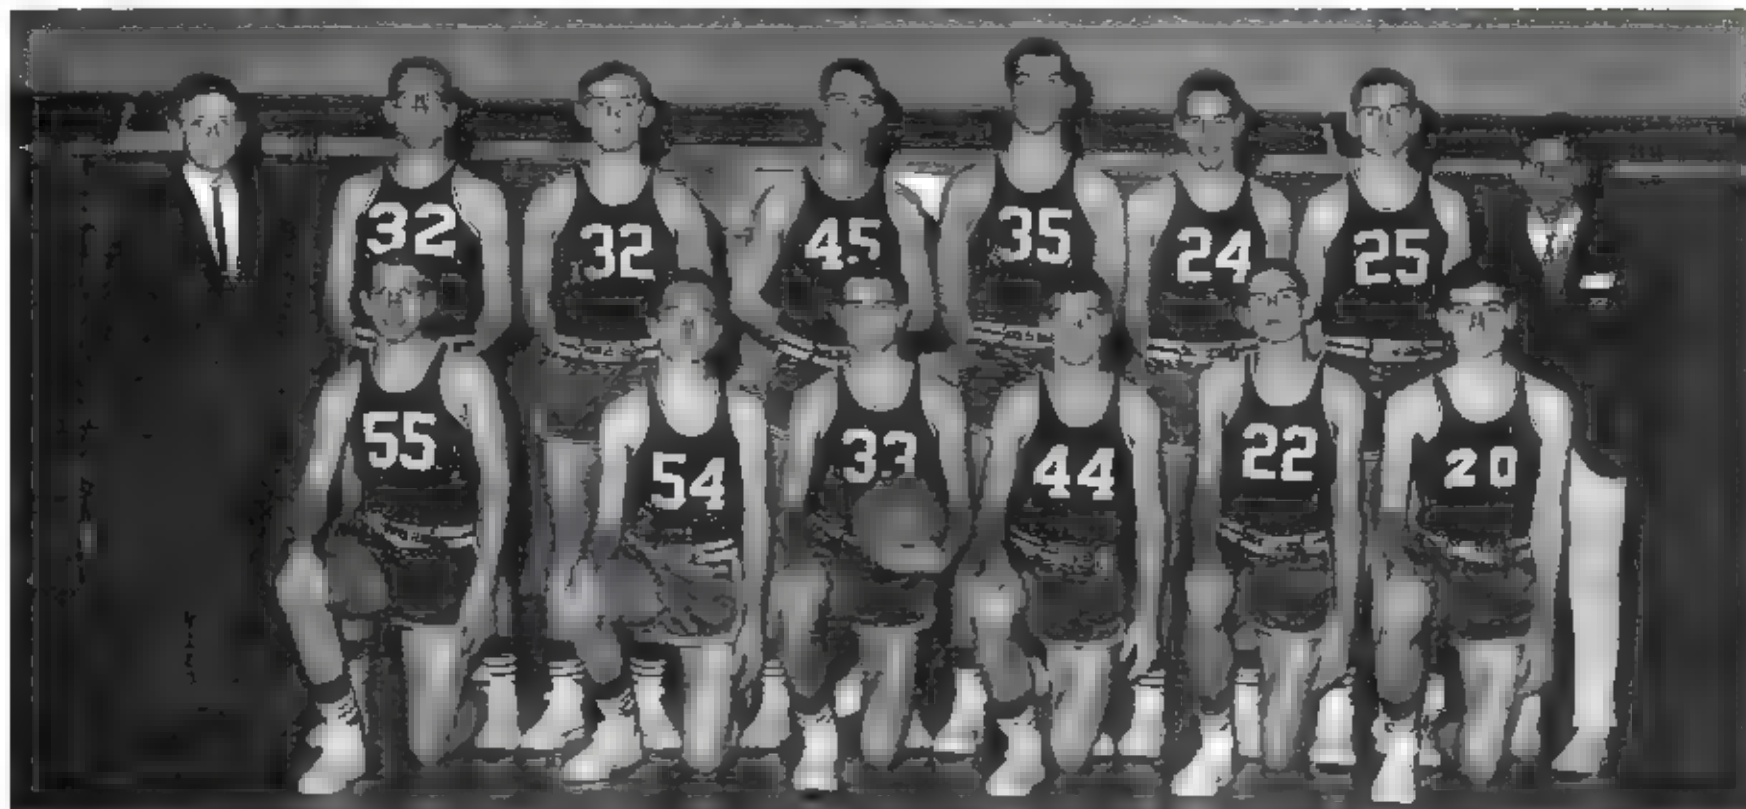

Gary Bayer was often found to be at the front of the pack.

BASKETBALL '65-'66

ANOTHER LEAGUE TITLE . . .

Row 1: Scott Stephens, John Walla, Jim Perry, John Heffner, Verne Chadwick, Mark Walker. Row 2: Stan Preston, mgr., Mike Sanderson, John Paterson, Charles Freadhoff, Bob McCormick, Charles Henderson, Jack O'Leary, Chuck Walsh, mgr.

Always a superlative basketball team in the past, the 1965-66 Colt basketball team proved to be no exception. In a season marked by 'Doc' Sooter's 400th victory, the Colts dominated the league easily, winning 20 games for the ninth time in ten years (overall record, 25-4).

Leading this highly talented squad were All-Montview League selections Jim Perry, a senior, and Bob McCormick, a junior. Perry proved to be the Colt's sharp-shooter from the outside, compiling a 20 point a game average. In a supreme effort Jim managed to break the Colt's single game scoring record with a remarkable 41 points against the La Puente Warriors. Meanwhile junior center Bob McCormick was the man who got the ball for Perry, mainly by dominating the boards and grabbing numerous rebounds. Often playing against boys much bigger than himself, Bob still managed to do a fine job both defensively and offensively, and he never let the Colts down.

In addition to these boys, the Colt basketball team had two unsung heroes in junior Verne Chadwick and senior John Paterson. Chadwick (2nd team Montview League) often scored in double figures during the season, and was a welcome support to Perry and McCormick. Paterson (Honorable Mention) showed exceptional ability for rebounding, often out-jumping boys 5 to 6 inches taller than himself, and he could always be counted on to grab the key rebound.

Rounding out the squad were seniors Jack O'Leary and Charlie Freadhoff. O'Leary used his muscle to fight for the rebounds while Freadhoff proved to be a defensive specialist. Seniors Mike Sanderson, Charles Henderson, Scott Stephens, and John Walla played well when given the opportunity to get into the game.

BEES

Despite the fact that this year's "B" Basketball team had many fine players, it enjoyed only an average season finishing with an 8-6 record and 3rd place in the league. Don Shinn (All-Montview League 1st team) led the Covina attack and with his artful shooting gained the name of "Mr. Clutch." Junior Tim Ord (2nd team All-Montview League) also had a fine year often outthrusting opponents as the leader of the Colt "fast-break".

Juniors Steve Sparks and Dick Stange turned out to be two of the "Most-Improved" players in the league earning an Honorable Mention on the All Montview League "B" team. Altogether, this year's "B" team, with its hustle and determination, is not one to be held down.

J. V.

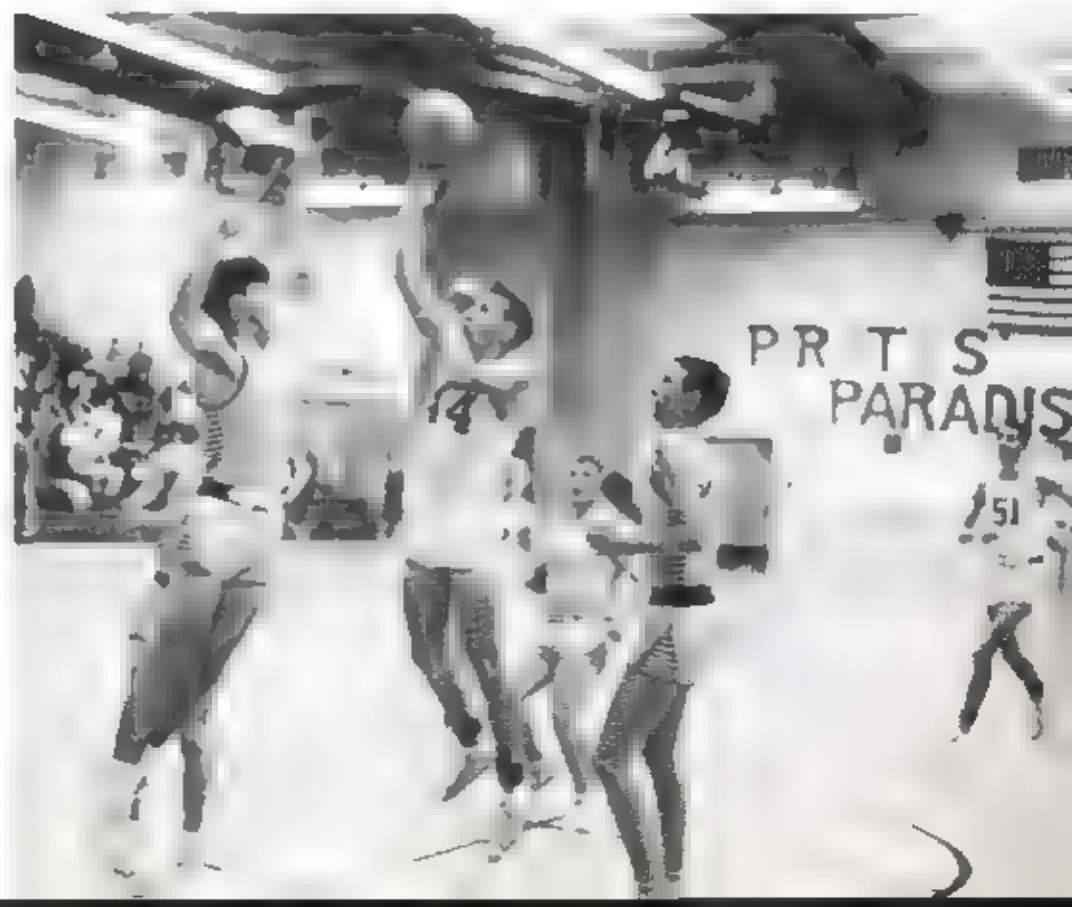

Although composed mainly of freshmen and sophomores, this year's youthful J. V. basketball team was a remarkable one. Compiling a 13-1 record, they easily took first place in the League. Led by freshmen Chuck McCormick and Bernie Williams, and sophomores Steve White and Joe Fagan, the J. V. 's devastated their opponents with their balanced scoring attack. McCormick was named to the First Team Montview League as a freshman, while White, Fagan, and Williams made Second Team as underclassmen. Sophomores Steve Dolan, Craig Dixon, and Dane Haas proved to be valuable assets to the team, using their height to get valuable rebounds.

Looking ahead, one can see this team's potential as a virtual CIF champion.

Craig Dixon drives in for another two points.

CEE

This year's Cee team, under the direction of Coach Jensen had a fine year, finishing with a 9-5 record, and a 2nd place berth. Young Jim Lyons often scored in double figures while Steve Barron and Don Shinn backed up Lyons with their fine offensive and defensive play. Shinn was most effective as a shooter, while Barron was used to get rebounds. But most important of all, was the well organized team effort that the Cee's put together, showing the mark of real champions.

DEE

Even though they are seldom heard of or written about, this year's "Dee" team deserves a lot of credit. Although they were relatively small for their league, they overcame this with their hustle and spirit, which enabled them to compile a 12-2 record and a 2nd place finish. Mike Scupine (1st team all Montview League) proved to be an accomplished sharp-shooter for the Colts, often hitting shots that normally are considered very long for boys of this size. Rich Warren also played very well, helping to round out the team.

There will always be a place for the small man, as this year's team proved.

Row 1: M. Fagan, B. Owens, B. Perry, B. Manley, L. Vogle, A. Giser, B. Auten, B. Perlman, S. Loveless, J. McDaniel.

VARSITY

Plagued by a rash of injuries and a lack of previous varsity experience, the Colt matmen had a rather disconcerting season, managing to compile only a 6-5 record. Mike Fagan and little Bruce Perry proved to be the only consistent Colt wrestlers, defeating almost all of their opponents. Fagan ultimately went to the CIF finals, while Perry failed to make the weight class. Lynn Vogel, in a rougher weight class this year, was only able to break even in his matches, but still remained as one of the better wrestlers on the squad. John Hembree, Austin Amey, and John Lindow in their first year of varsity experience also fared well, and should improve in the future.

Vogel desperately fights for his victory.

J. V.

Inexperience played a key role on this year's J. V. wrestling team, limiting it to a 6-5 record, and an average season. However, this didn't hold back freshmen Bob Auten and Dan Leister both of whom enjoyed a highly successful year. With a little more experience next year, this team should improve immensely, and become the core of the future varsity teams.

VARSITY SWIMMING

Considered one of the best teams in the league last year, this year's varsity swim team is no different. A superb blend of work and talent, the team is led by senior Wayne Gile, juniors Jim Vernon and Bruse Hodesson, and FRESHMEN Carl Patton. Already, these boys together have broken the butterfly relay record with a time of 1:52.2. Hodesson is by far the most versatile on the team, performing in many different events, doing well in each. Meanwhile, the other half of the "dynamic duo", Jim Vernon, excel in the butterfly, breaststroke, and free-style. Gile was used mainly for distance, competing in the 200 and 400 yard free-style, while Patton, was best in the relays. With this hard core of talent, Covina has the potential of a team that should dominate the league in the coming year.

Hodesson keeps up with opponents in close race.

Row 1: D. Whiting, A. Moore, R. Puglisse, C. Lennet. Row 2: M. Mozakis, M. Hansey, G. Saunders, J. Espedal. Row 3: P. Petrovich, D. Wooley, A. Morely, S. Wood, D. Dorington.

BEE SWIMMING

Starting off slowly, this season, the "B" swim team has never really gotten off the line. Lack of experience has played a key role in the many defeats, but despite this, there still remains bright spots on the team. Craig Livingston has been the most valuable to the team participating in the 50 and 100 yard freestyles, and winning handily. Dave Lawrence, the "B's" top breast-stroke man has also been outstanding, and together with Livingston, brightens up a rather dull year.

CEE SWIMMING

Thus far this year, the "C" swim team has been the most successful of all the teams. They have easily defeated all opposition, breaking numerous records in the process. Allan Moore, another outstanding freshman swimmer, is the team's leader, swimming in mainly the distance races. Freshman Mark Hansey and sophomore Bob Wooley are the team's freestylers, usually finishing one-two in most of their races. To round out the squad, there is Joe Espedal, a versatile swimmer, who competes in many different events, and is one of the most reliable men the team has. With these boys performing so well, Covina should come up with another one of its fine teams in the future.

Another close race.

VARSITY TENNIS

Row 1: R. Cheetam, J. Arvis, S. Rose, J. Powell S. Goldband, Row 2: J. Walla, R. Bogdanoff, A. Hamlin, D. Crawford, G. Duff, and Coach Jensen.

With many of last year's outstanding lettermen returning this year, the future for our varsity tennis team looks bright. Winning four of its matches up until this deadline, the team currently is at the top of the Montview circuit. Seniors Allan Hamlin, Roy Bogdanoff, and Scott Rose, all of whom excelled last year, are continuing their fine playing this year. But the true leader of the team is junior Scott Goldband, the number one man, and probably the best singles man in the league. So, with all this talent, the Colts are a strong contender for the Montview league title, and figure to fight to get it.

Goldband, Covina's top man in action.

Gil Lackey, No. 1 J.V.

J. V. TENNIS

This year's J.V. tennis team is also enjoying a fine year, winning its first three matches, then losing the fourth to Arcadia. Sophomores Gil Lackey is the team's best man, winning his four matches, thus making himself a likely candidate for a spot on the varsity squad before the year is over. Craig Dixon and Randy Dixon, also sophomores, have shown a great deal of talent in their play and together with Lackey, form the backbone of the team.

Row 1: R. Smith, C. Dixon, C. McReynolds, T. Stube, C. Rasmussen, F. Gooch, M. Haskel, T. Tuxedo, B. De Camp Row 2: G. Panzy, D. Kirk, M. Hardgrave, B. Flowers, T. Wollie D. Lockwood, D. Arbruster, B. Tooth, S. Batchellor, C. Pollack, Coach Wendorff.

Kinza, M. Moore. Back Row: R. Holden, L. Schioppi, A. Schioppi, F. Schioppi, B. Doer, Coach Warren.

With many of last year's lettermen returning, the Colt gymnastic team should enjoy a fine year. In their only match up to this deadline, they clobbered Charter Oak 95-25, gathering six 1st places. Versatile senior Al Schioppi picked up 14 points in various events, ranging from the high bar to the rings. Walt Barber broke the school record for the rope climb, with a time of 3.6 seconds. Butch Pipp showed fine form in the free exercise event and the side horse, gathering firsts in both. Thus, by looking at the facts presented here, one can surmise a successful year for the Covina Colt gymnasts.

VARSITY

Experience played a key factor in the success of this year's varsity track team. With 17 lettermen returning the Colts had a definite advantage over the other teams in the league and they used it well. They compiled a 2-1 win record at the time of this deadline.

Seniors Lynn Wolters and Wayne Collums, the team captains, proved to be the most versatile performers on the squad. Wolters participated in the 880 yd. run, the 880 yd. relay and the hundred yard dash and was one of the finest all-around runners in the league. Meanwhile Wayne Collums, who also participated in the low hurdles, 100 yd. dash, 880 yd. relay, excelled in the long jump with a record breaking leap of 24 ft! Between these two boys most of the points were gathered and they often meant the difference between a win or a loss.

But the varsity track team was truly a team effort, and as a team effort it was the most successful. John Paterson, an excellent long jumper and 100 yd. dash man, was also the Colt's top high jumper, clearing 6 ft. three times with his tremendous leaps. Another fine jumper, although in the long-jump category, was junior John Heffner who together with Paterson and Collums was one of the top in the league in this department.

The running of the team was capably handled by a group of seniors with previous varsity experience. In the shorter races (the 220 yd. and the 440 yd. dashes) speedsters Mike Donaldson and Howard Fox jumped off to big leads and never relinquished them. Meanwhile, in the long distance races, Colt milers Charles Freadhoff and Dane Haas paced the Colt runners to win while Dick Chowning and Gary Bayer were the top 2-milers on the squad. Also important was Covina's unbeatable 880 yd. dash team, composed of seniors Steve Sweetman, Alton Roberts and Lynn Wolters. It usually meant the first three places for Covina.

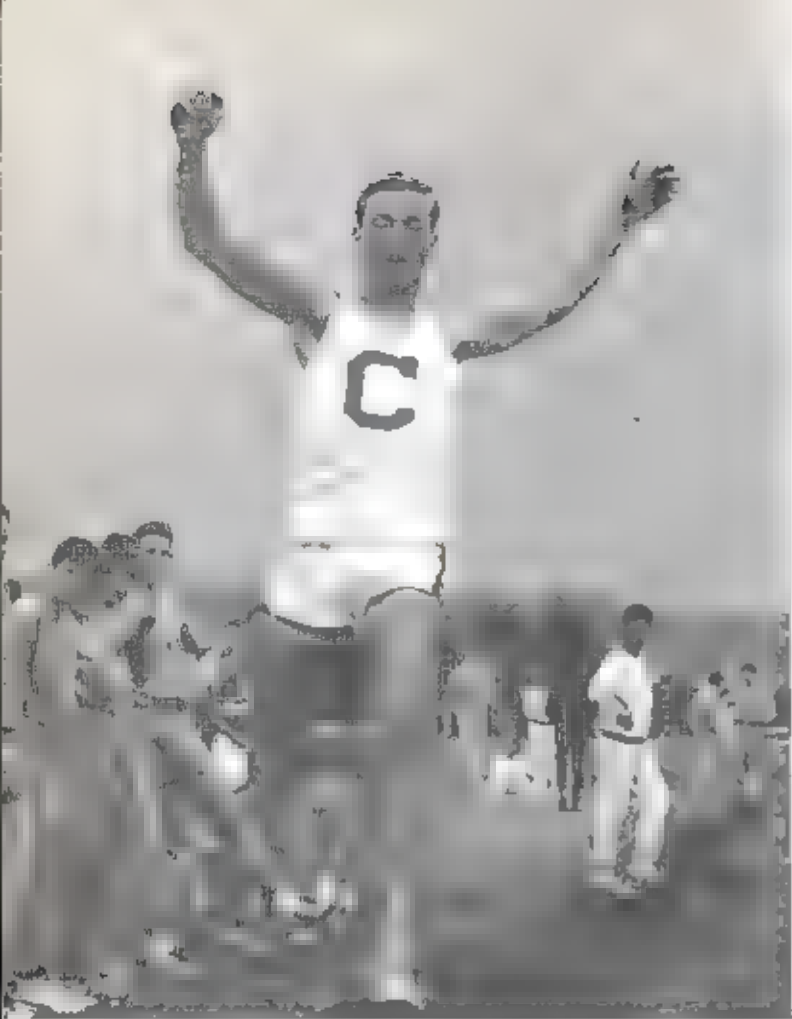

Thus, composed of a group of not only experienced, but also versatile seniors, the Covina track team has the necessary attributes of a real champion.

BEES

Brad Brown takes first in a close race.

The Bee track team found the going quite rough in the league this year, managing to win only 3 of 9 meets. Composed mostly of freshmen and sophomores, the team showed a definite need for more experience, and should be a lot better once they get it. Despite this, they showed tremendous hustle and determination, often staying late after school to work at hard practices.

Top men on the squad were juniors Tim Ord and Ed Winters, sophomores Bill Watts and Terry Gray, and freshman Jim Seigero. Ord excelled in the 660 yd. run and the hurdles, consistently taking first place in them through most of the meets. Bill Watts showed exceptional form in two of the tougher events, the pole vault and the shot put. Winters, meanwhile, was valuable to the team as a high jumper, even though it was the only event he competed in. To round out the squad, there was Terry Gray and Pete Seiger in the 220 yd. dash, both of whom managed to place in most of the races.

Thus, this group of talented athletes should be a tremendous help to future Varsity track teams.

CEE

Although they managed to break a few records, this years C track team wasn't able to do much else winning only 3 of 9 meets. The team seemed seemed to lack the balance that most good track teams have, specializing in only a few events. But, the few events they specialized, they did with par excellence, proving to be just about unbeatable. Highlighting the "record breakers," was Covina's fantastic 1320 yard run team, composed of sophomore Danny Vasquez and freshman Olaf (Froggie) Croak, both of whom battles between themselves for first place finishes in most of the meets. Dennis Brown, another freshman, enjoyed a fine year, usually finishing second or higher in the shot put and the high jump. The running attack was led mainly by Jeff Rhiner (almost an automatic first place finisher in the 660 yard dash) and Lynn McIlwain, a strong competitor in both the 100 and 180 yard dashes. Thus, with the potential these boys possess, they are destined to be future Varsity lettermen, and true assets to the team.

BASEBALL 1966: A NEW COACH . . .

Bottom Row: L. Tyler, D. Gerhard, J. Cancellieri, L. Goebel, D. Wendt, A. Wise, M. McNeil, B. Smith. Top Row: B. Edens, P. Opatkiewicz, B. Schotfield, B. McCormick, B. Gaddy, B. Wildman, J. Schons, B. Moore, R. Stange, Coach Kemp.

VARSITY

As spring rolled around the Colt Varsity baseball team occupied its typical spot, first place in the Montview league. Directed by new Coach Kemp, the team used its experience (6 returning Varsity lettermen) to record a 10-3 record against its league opposition up to this deadline. Pitchers Bill Schofield (6-3) and Mike McNeil (8-2), both seniors, baffled rival hitters with their blazing fastballs, while also providing key hits with their bats. In addition to pitching, one of the most important cogs in the Colt dynamo was their hitting attack. Senior Alan Wise led the team in this department, slugging 6 home runs and driving in numerous r.b.i.'s. The Colts also had the best shortstop in the league in senior Larry Goebel, who could always come up with the big defensive play in addition to his fine hitting. Meanwhile, catchers Bob Wildman and Darrel Gerhard alternated their catching duties, and both were able to mount hot batting streaks during the season.

But despite all of these talented seniors, the Colts also had some very talented juniors, three of whom landed first stung positions. One of these was the team's best hitters (batting average wise), Ron Opatkiewicz, who played second base. The other two were juniors Bob Moore, pitcher, Bob McCormick, a first baseman. With these three ballplayers returning next year, together with the rest of fine young J.V.'s, it is doubtful whether the Colt Montview League dynasty will ever fall.

J. V.

New J.V. Coach Wally Douglas didn't get too much of a welcome from his team this year, as they managed to compile only a 5-6-1 record. Having its second off-year in a row, the team was never able to sustain any kind of a winning streak, and as their record indicates, they lost a game for every one that they won.

Despite their loss of many fine ballplayers to the Varsity, the J.V.'s were able to make the most of what they had. Pitchers Terry Tuthill (2-1), Mike Saras (2-2) and Glen Medcap (1-1) picked up all the J.V. wins between themselves. Helping them out were Stu Sims, John Giambi, and John Koch, who stroked the key hits in many a J.V. victory. So, as the sophomores on the team gain a little more experience, and the juniors move up to Varsity, both the J.V.'s and the Varsity look forward to brighter seasons next year.

Shortstop, Dan Walla, starts double play.

Mike Sardis shows excellent pitching form.

Geardine lashes single to left field.

Steve Barron attempts to get runner.

Mike Scupine holds runner at first.

FROSH

Coach Snyder's Frosh baseball team roared off to a fast start this year, compiling a 12-0 first place record to date. Led by pitchers Chuck McCormick, Don Parker (both 3-0) and southpaw Mike Scupine (1-0), the team has been able to hold all opponents virtually scoreless. Meanwhile, the Frosh hitters went to work, hitting at a torrid pace, often exploding for big innings. Bruce Evans (.397 batting average), Steve Barron (.308), and Robbie Auten (.327) proved to be more than capable hitters, frequently gathering key hits and driving in clutch runs. Thus, with the perfect combination of hitting and pitching, the freshmen have been able to maintain their unblemished record, a feat which is indeed remarkable. Looking ahead to the future, one can foresee another championship Varsity team, just one of the many produced here at Covina High.

THE PROPER PERSPECTIVE . . .

This has been one *#@/ of a year! . . . September 12 - our goal: an All-American yearbook. . . editors' defeat, staff victory. . . "We wouldn't want to break tradition." . . . "Let's vote, then we'll do it my way!" . . . "Of course the pictures aren't here yet. You can always count on Sanford to get in just under the wire!" . . . December 14 - only 50 pages to go for tomorrow's deadline. Of course we'll make it! . . . Let's celebrate: pizza, cokes and Playboy! . . . service clubs deserve individual pictures. . . "Sure, Mike". . . "I can't give you a sample of my writing style, I can't do it myself! . . . thanks Mom! . . . six weeks to do two pages: a new record. . . Saturday staff workdays weren't really fun. . . Mr. Van Wickle; a mighty grave man. . . Mrs. Hanby wins Harvey award. . . five substitutes in two weeks: it takes courage. . . "Sell ads or loose sixteen pages!" . . . "What the *#@/ happened to this negative file?" . . . five picture appointments and one photographer, WITH NO FILM!! . . . thirty Senior pictures left over and no pages! . . . Don't have a heart attack. . . "If you want it done, do it yourself!" . . . eighty corrections on six pages. . . "Stay out of that top drawer!" . . . Another grading period: staff morale at an all time low. . . "Of course she did a good job; she got an "A" didn't she?" . . . May 7 - the book's completed. . . UNBELIEVABLE!!

Postscript:

The production of a yearbook is long and tedious with many trying moments. This year's staff has had its moments of chaos, frustration and fun. No one can really appreciate the work that goes into a yearbook until he has actually participated in its production. Our experiences this year are memories that we will never forget. In closing, we would like to thank our staff for the many hours they dedicated to the '66 CARDINAL. Thanks also go to Mr. Simonds and Mr. Muscarella for their advice and support.

Tony,

Its been real boss
knowing ya, to bad we
couldnt of got to be better
friends. I hope you last year
at Covino is really bitchen. To bad
your banty got busted.

Love ya
Karen Sparks
